Hi Palmer –

Running out but wanted to send along my lit review matrix as promised. I'm almost done – the only four remaining include two that I'm still waiting for from the library (in red) and two that are VERY long - one book and one article (in green). The long ones I'm going to continue working on tomorrow, but I didn't want to hold things up.

That's another reason I wanted to send to you what I have. If I'm home I won't be working except to glance at my BB possibly.

Cheers,

Rachel
